

24. GISMA Global GmbH Student ambassador programme.

24.1 Summary of GISMA Global student ambassador programme scheme

Successfully referring a friend or family member to one of our courses could mean up to 1,000 € discount for you on your tuition fee. See below for full terms and conditions.

a. Eligibility criteria for first reward

To be eligible to student ambassador programme you must be either

i) a current GISMA Global student

OR

ii) an enquirer/applicant for a course at GISMA Global on or before the intake of your referee.

b. Other criteria

To be eligible to be referred, the referred party must not have submitted any enquiry or application GISMA Global or have enrolled on a course offered through GISMA Global, before they are referred using the form at <https://ulp.gisma.com/student-referral-scheme/>.

All referrals must be made online on our website <https://ulp.gisma.com/student-referral-scheme/>. No other forms of referral will be accepted.

To receive the 1,000 € tuition fee discount the referred party must have enrolled onto a postgraduate course, be outside of any money back guarantee period and GISMA must have received the first instalment towards their tuition fees.

- 100€ is available for referrals onto our executive education courses, following the same rules outlined above
- 200€ is available for referrals onto our University Pathway Programme courses

This offer only applies to students who enrol directly to GISMA and is not open to those who apply through an agent.

Company sponsored students are not eligible for student ambassador programme scheme.

Our decision about referral is final and GISMA Global retains the right to remove this offer without notice.

c. Issue of rewards

The chosen reward (e.g. 1,000 € discount on tuition fee) will be issued via email after the student ambassador programme application has been approved and all conditions have been met.

After the discount is approved, the student receives a new payment plan with adjusted instalments.

d. Contact from GISMA

Both referrer and referee will be notified when the student ambassador form is submitted. By completing the form, the referrer agrees to be contacted by GISMA Global regarding this offer. If the referee is not interested in studying with us, we will not contact them again or keep their details on file.
